

Watercrest Senior Living Group Tours Index Residential Development in Stockholm

VERO BEACH, FL, March 21, 2014 – The principals of [Watercrest Senior Living Group](#), Marc Vorkapich, CEO and Joan Williams, CFO, joined Swedish development partners Bjarne Borg, Fredrik Alama and Marie-Louise Alama of [Index International AB](#) in Stockholm, Sweden to tour Index’s recent top-selling residential project in Stockholm. Offering stylish living in downtown Stockholm, the Vastermalmsterrassen launched in early 2012, selling more than fifty percent of all units in a few months. Vorkapich and Williams toured the site, currently under construction, and set to open in 2014.

Earlier this year, Watercrest Senior Living Group and Index International AB announced their \$500 million partnership in the co-development of senior living communities in the United States. This significant partnership combines the financial, development and operational resources necessary to achieve explosive growth in the senior housing industry.

Joan Williams, CFO and Marc Vorkapich, CEO of Watercrest Senior Living Group tour the construction site of Index International AB’s residential development project, Vastermalmsterrassen in Stockholm, Sweden.

Established in 1998, Index International AB is a global independent investment company in real estate and equity investments. Built on private capital without institutional funding, Index maintains investments in Sweden and North America, and is actively expanding further into North America and Europe.

Watercrest Senior Living Group specializes in the development and operations of assisted living and memory care communities, market repositioning and [advisory services](#). Partnering with a wide variety of stakeholders such as land owners, real estate developers, investors, financial institutions, and REITs, Watercrest Senior Living Group focuses on its core strengths, operations management of assisted living and memory care communities and the development of servant leaders.
